2 was driving resulting in the collision. Plaintiff alleges that Defendant Landforce  
3 negligently entrusted the vehicle to Defendant Harris.

4 In their Answers, Defendants admit that Defendant Harris was Defendant  
5 Landforce Corporation's employee in the course and scope of his employment. [ECF  
6 26 and 36] Defendants deny negligence in the incident. Defendants contend that  
7 Plaintiff has failed to state claims on which relief can be granted, that his injuries, if any,  
8 were a result of his own contributory negligence, that his negligence when compared to  
9 that of defendant, that Plaintiff failed to mitigate his damages, that the circumstances  
10 constituted a sudden emergency and that the accident was unavoidable.

11 **II.**

12 **STATEMENT OF JURISDICTION**

13 Plaintiff alleged diversity of citizenship, 28 U.S.C. §1441. Plaintiff states in his  
14 Complaint that he is a resident of the state of Nevada. Plaintiff's Complaint alleges that  
15 the principle place of business of Defendant Landforce Corporation is Victorville, CA  
16 and that the Defendant Harris is a resident of California. Plaintiff alleges damages in  
17 excess of \$75,000.00.

18 **III.**

19 **THE FOLLOWING FACTS ARE ADMITTED**  
20 **BY THE PARTIES AND REQUIRE NO PROOF:**

21 On October 5, 2016, Defendant Landforce Corporation was the owner of a  
22 certain International Tractor Trailer operated by Defendant Harris.

24 Corporation and was acting in the course and scope of his employment at the time of  
25 the subject accident.

26 The subject motor vehicle accident occurred in the State of Colorado.  
27  
28

1 The parties have stipulated and the Court has ordered to the dismissal of  
2 Plaintiff's claim against Defendant Landforce Corporation that it negligently entrusted its  
3 vehicle to Defendant Harris. [ECF 88].

VI.

**THE FOLLOWING ARE THE ISSUES OF LAW TO BE TRIED  
AND DETERMINED UPON TRIAL. EACH ISSUE OF LAW MUST BE STATED  
SEPARATELY AND IN SPECIFIC TERMS**

**PLAINTIFF'S VIEW**

1. Did defendant Landforce have a duty to adequately train and supervise defendant Harris, and ensure that he was adequately experienced to operate a tractor trailer in snowy/icy conditions.

2. Did defendant Harris have a duty to ensure that he was adequately trained and experienced to operate a tractor trailer in snowy/icy conditions.

3. Did defendant Harris have a duty to operate the tractor trailer as a reasonable person in the same or similar circumstances.

4. Is there adequate evidence to support a defense that plaintiff was comparatively negligent.

5. Did plaintiff have a duty to operate his vehicle as a reasonable person under the same or similar circumstances.

6. As a matter of law, does the mere existence of ordinary, age-related, and asymptomatic degeneration of the cervical, thoracic, and/or lumbar spine permit the defendants to argue that plaintiff has a "preexisting condition" which is the cause of plaintiff's pain complaints/alleged injuries.

7. Is there adequate foundation for any of defendants' alternative causation defenses in response to plaintiff's damages claims.

**DEFENDANT'S VIEW**

Will the law of the state of Colorado apply to this incident which occurred on I-70 near Vail Colorado?

What duty, if any, did Defendant Harris owe to Plaintiff regarding the operation of their vehicle?

1 What Duty, if any, did Plaintiff owe to Defendants regarding the operation of his  
2 vehicle?

3 When the court applies the comparative fault of Plaintiff as assigned by the jury,  
4 does Colorado's comparative fault law, CRS §13-21-111, preclude him from a  
5 recovery?

6 When the court applies the comparative fault of Plaintiff as assigned by the jury,  
7 to what extent will Colorado's comparative fault law, CRS §13-21-111, reduce the  
8 recovery as stated in the verdict?
